HALIBURTON — ONTARIO THURSDAY, MAY 16TH, 1968

THIS WEEK'S PRESS RUN — 2305

Established in 1882 as the Minden Echo & Haliburton Recorder

What Dysart Council Did

Dysart Council held their regular meeting on Monday morning last, with all members present.

After approving the minutes of the previous meeting, Council gave their attention to the accounts as presented and after quite some discussion the Road Accounts totalling $25,343.31, General Accounts totalling $28,256.94 and Welfare Accounts amounting to $1,739.85 were passed. The amount for welfare is steadily growing, with accounts for this purpose being up $400 from the same month last year when they came to a total of $1,325.71. The Council finds itself in quite a provoking situation in this matter as despite the fact that there are some on welfare who could well fend for themselves it is impossible to secure a person to keep an eye on the town dump.

The matter of the bridge at the Cowling Subdivision, which has been a headache for Council for some years, now appears to be coming to a climax. Some time ago a board of arbitration awarded the municipality a sum of $750.00 to be paid on May 1, but as yet Council has not received the amount. The Clerk was instructed to ask the Municipal Solicitor to take appropriate action to obtain the money to build the bridge.

The Bell Telephone Company of Canada was given authority to erect a telephone booth at the corner of Highland and Maple Streets, adjacent to the one already there.

Messrs. Len Salvatori and Keith Cannochan appeared at the meeting to explain that under the new school setup it would be necessary to have an election this fall for the new County School Board. The fact that Dysart Council were elected for a two year term and that this is not an election year as far as Council is cocerned means that we will probably have an election for representatives for the County School Board only.

A letter was read from the Bell Telephone Company requesting that in the matter of ambulance calls some person be requested to assume the responsibility for accepting the calls and summoning the ambulance. A system has already been arranged for fire calls which apparently has been functioning fine, but ambulance calls still remain a problem.

For some years now the Dysart Council has been attempting to have a stop light installed at the intersection of Highland and Maple Streets, however, after the Clerk read a letter which was received from the Department of Highways regarding this matter it would appear that after reviewing the results of a traffic count made at this location the installation of such a light is not necessary.

The municipality now has full control of those portions of the highway leading from Cedar Street up to Highland and Maple Streets, thence north to the Municipal Hall and south on Maple Street to York Street, which leads to the C.N.R. Station. These portions of the streets mentioned will now come under stricter rules as far as parking is concerned.

Council approved a grant of $600.00 to the Haliburton Highlands Pioneer Museum for the year of 1968. We might say that the museum is located in what was formerly the Reid residence in Haliburton.

At a recent meeting of the Haliburton Businessmen's Association a letter was sent to the Council asking that a brief, that had been prepared some time ago, regarding better police protection be submitted to the propent authorities. According to a letter received any such brief submitted must be documented.

There has been quite a bit of discussion of late as to whether businesses should remain open seven days a week during the summer season. In regard to this matter it would seem that outside of garages and restaurants other places of business remaining open could, if a complaint was laid, be charged under the Lord's Day Act. It is generally known that some stores remain open seven days per week in tourist areas, but according to legal opinion they may run afoul of the law. A poll taken of local businessmen indicates that they are overwhelmingly against having to work seven days a week. Council however have no jurisdiction in this matter.

Council will have their next regular meeting on Monday, June 11.

A Lot Of New Voters

There are 1,175 voters eligible to vote in Haliburton in the coming Federal Election, and as these lists are posted up at the Municipal Hall and at the home of Enumerator Elizabeth Nicol on Kashaga Drive there is yet time to have your name added if it has been omitted. So before June 6, which is the deadline for having names added on the Voters' List, it is quite possible that over 1200 persons will be eligible to vote.

Anyone of course whose name has been missed can be sworn on providing that they are 21, a British subject and comply with the residence rule.

Inter Club Meeting

The Minden Rotary Club played host to the annual Inter-Club Meeting held at Locarno-on-the-Lake on Monday evening. Rotarians from Minden, Fenelon Falls and Haliburton were present for the occasion.

The guest speaker for the evening was Mrs. Deena McNeill of Haliburton.

Ian Neville Graduates

Mr. Ian Neville, son of Mr. and Mrs. Russell Neville of Haliburton, was among the 1,000 graduates who received diplomas at the Ryerson Polytechnical Institute's spring convocation held from May 8 - 10.

Located in downtown Toronto, Ryerson is now in its twentieth year of operation.

William C. Scott was unanimously selected as the standard bearer for the Progressive Conservative Party in this Riding on Wednesday night. Mr. Scott was the member in the last house. Further details will appear in next week's issue.

Local Cubs And Leaders Visit 6th Thornhill Pack

On Saturday May 4, 14 local Cubs under the supervision of Cubmasters Len Salvatori and Earle Casey and Assistant Cubmasters Walter Webb, Art Lee, Ed LaPorte and Don Walling travelled to Thornhill to spend the weekend as guests of the 6th Thornhill Cub Pack.

On arrival at 11:30 a.m. at Bayview Glen School grounds, the hosts prepared a delicious lunch of barbecued hamburgers and refreshments.

Under the direction of Thornhill Cubmaster Ed Davis, the group then proceeded to the Eglinton and Yonge Street Subway Station where they boarded the Subway. After arriving at Union Station the 12 leaders had the challenging task of shepherding 28 boys to various points of interest, the first of which was the Battle Cruiser H.M.C.S. Haida which was docked at the Toronto Harbour. Both Cubs and Leaders gained a great deal of knowledge about torpedoes anti-submarine squid bombs, mines, guns, the engine room and the overall size of a ship.

From the waterfront the group walked to the tallest building in the British Empire, the Toronto-Dominion Bank Building. By elevator they were taken to the Bank Tower which is 704 feet from the ground. This was probably one of the greatest thrills of the day! On a clear day from this observation gallery one can look out over nearly 8,000 square miles of Ontario, the Lake and New York State.

Moving on to the Civic Centre and City Hall the boys inspected the "Archer" and passed their comments about this controversial showpiece. Inside City Hall a tour of the Council Chamber was conducted.

After the completion of this tour, the Haliburton Cubs and Leaders moved into the homes of their hosts for dinner and overnight accommodation. The Leaders enjoyed the evening at the home of Assistant Cub Leader Phill Lapp.

At 10 o'clock Sunday morning the group met once again at the School and by car travelled to Casa Loma. This is a beautiful castle and the boys were thoroughly fascinated during their two-hour tour there.

Across from the beautiful Inn-On-The-Park the boys ate a picnic lunch packed by their hosts. After lunch the two Packs formed a circle and Cubmaster Len Salvatori presented each Thornhill Cub and Leader with a copy of the book "Haliburton Village".

The weekend will always be remembered by the Cubs and their Leaders.

The 1st Haliburton Cub Pack are extremely grateful to the 6th Thornhill Cub Pack for the opportunity of this exchange visit. Also, thanks to the local leaders and to those who provided the transportation.

One Enchanted Evening

The Auditorium at Hyland Crest Senior Citizens' Home in Minden was filled to capacity on the evening of Saturday, May 4.

Had the adjudicators of some of the festivals in the larger centres heard our Madrigal Singers perform, we feel sure they would have awarded them top marks. They sang beautifully, with lovely tone and interpretation. Mrs. Margaret Finney deserves great credit for her training of this excellent choir.

As guest artist, Mrs. Finney had invited Mr. Karl Rohoffsky, who is Flautist with the Toronto Symphony Orchestra. It is rarely that we in small towns are privileged to hear one of his talent.

Mrs. Finney also invited her brother, Mr. Bill Metcalfe, who sang several delightful songs as well as playing a trumpet solo and a duet, with Mr. Rohoffsky playing the flute.

Still another member of this talented family, Mr. Rex Metcalfe, contributed his fine voice to the program.

Of particular interest was a guitar solo and modern folk song by Miss Cathy McBrien.

Soloists with the choir included Mrs. Wendy Hicks, Miss Glenda Burke and Mrs. Marion Kinsman, whose six little daughters charmed all present. They wore beautiful brocaded Japanese gowns, made by their mother. Their singing and actions were delightful.

While this concert was planned for the pleasure of the residents of Hyland Crest, it was enjoyed and appreciated very much by the public who were privileged to attend.

The Auxiliary of Hyland Crest Home would like to express a hearty vote of thanks, not only to the choir and guest artists and Mrs. Finney, but also to the accompanists who added so much, namely Miss Kathleen Owens who accompanied the choir and Mr. Bill Gliddon, accompanist for Messrs. Bill and Rex Metcalfe and Mr. Rohoffsky.

Mrs. Elsie Bursey, President of Hyland Crest Auxiliary, was M.C. for the occasion.

It was an enchanting evening that will long be remembered.

Rotary Auction Sale July 6th

The Rotary Club of Haliburton have set Saturday, July 6 as the date for their Annual Auction Sale.

This year's event will be held on the Main Street and the Club are looking forward to attracting a large crowd on this day.

This year's Auction Sale Chairman is Murray Fearrey, and he is asking that you support this worthwhile project by donating articles for the sale so that the Rotary Club will have a financial success.

The money raised from the Auction Sale will be used to carry on Rotary's good work in the community.

Logan Will Repeat Efforts For Riding Liberals

LINDSAY (ENS) — Victoria - Haliburton Riding Liberals last Saturday chose Lindsay lawyer

David Logan as their candidate for the June 25 Election.

Mr. Logan, who lost in the last Dominion Election by 3,000 votes to William Scott, P.C., was one of two men nominated. Lindsay Councillor Arthur Truax, however, in a letter read at the Convention, stated that he was unable to accept the nomination.

The Lindsay-born lawyer was given a standing ovation by 575 delegates as he made his way to the platform at the Lindsay Collegiate Vocational Institute to make his acceptance speech.

His 30-minute speech was interrupted on several occasions by prolonged applause.

Stressing that it is very important to the people of Victoria and Haliburton Riding that they be represented in the next Parliament on the side of the government, the dark-haired, slimly-built Mr. Logan said: "Now maybe I have missed a few points but the only thing I have seen the Opposition accomplish in this Riding over the last 10 years is to make sure the rich get richer and the poor get poorer. I call it the great indifference to the needs of the common man."

"Statistics show we in this area are just over the poverty level", he added.

He stressed that the problem of rural populations has been recognized by Prime Minister Trudeau, and recalled that prior to the Leadership Convention in Ottawa Mr. Trudeau declared that many symptoms of wealth exist in Canada.

The rural populations as a whole, including farmers and forestry workers, live in "inadmissable" economic conditions. The present distribution of revenue and wealth among social groups and various regions in Canada is plainly unacceptable, he said.

"No government has had the courage to attack these problems", he declared.

"Canadians should be able to live anywhere in Canada, and enjoy a reasonable standard of living."

The candidate said the new Liberal Prime Minister has done more to stabilize this country in two weeks than any other Prime Minister in this century.

"I do not know what the people of Nova Scotia think about Mr. Stanfield's two nation ideas", he said, "but I do know the people of this Riding do not like it and will not stand for it".

He went on to say that it is his belief Quebec Premier Daniel Johnson has anything but the best interests of Canada at heart.

"The whole idea of two nations in this country is filled with danger", he added.

Noting that two former Prime Ministers (John Diefenbaker and Lester Pearson) as well as Mr. Trudeau have stated recently the two nation theory would destroy this country, Mr. Logan declared: "Appeasement is not the answer."

"If we are not willing to stand up and be counted then we might well wake up some morning to see the Maple Leaf come down and Charles de Gaulle's big nose go up."

He maintained that P.C. Leader Stanfield has spent so much time in provincial politics that he still thinks as a provincial politician. He has been unable to adjust to the federal field. When he speaks out he is really speaking as a provincialist who wants the provinces to have more power.

"This power", Mr. Logan warned, "can only come at the sacrifice of the Dominion Government."

"I believe one people, one country and one nation is the only workable solution for Canada.'"

He told the audience that they have a wonderful chance in this election to play a part in doing something for their country, the Riding of Victoria and Haliburton and the people who live in it.

Admitting that it is nice to be a good fellow, he warned however that good fellows have a habit of ending up last — and that is exactly where this Riding has ended up in the past few years.

Fenelon Falls Deputy Reeve Douglas Wright nominated Mr. Logan, and Jack Debolt of Lindsay seconded the nomination.

Practical Christianity

By GLEN R. PITTS

Did you know that 1 out of every 30 verses in the Bible deals with the return of Jesus? There are 318 references to it in 216 chapters of the New Testament. Two books in the New Testament have the second coming of Jesus Christ as their theme. Needless to say, it is an important Bible doctrine — a coming event that should concern EVERY individual.

When the great, busy plants of our cities
Shall have turned out their last finished work;
When our merchants have sold their last order,
And dismissed every hard-working clerk;
When our banks have all counted the last of their notes
And paid out their last dividend:
When the Judge of the earth wants a hearing
And asks for a balance - what then?

When the choir has sung its last anthem,
And the preacher has voiced his last prayer;
When the people have heard their last sermon,
And the sound has died out on the air;
When the Bible lies closed in the pulpit
And the pews are all empty of men;
When we stand each one facing his record —
And the great Book is opened - what then?

When the actors have played their last drama,
And the mimic has made his last fun;
When the movie has flashed its last picture,
And the billboard displayed its last run;
When the crowds seeking pleasure have vanished,
And gone out into darkness again —
When the trumpet of ages has sounded —
And we stand up before Him — what then?

"For yet a little while, and he that shall come will come, and will not tarry" Hebrews 10:37.

"Prepare to meet thy God" Amos 4:12.

STANHOPE COUNCIL

Minutes of the Council Meeting of the Township of Stanhope held on May 6, 1968, with all members present.

Moved by William Cowen, seconded by John W. Down, be it resolved that the minutes of the April 1 meeting be adopted as read. Carried.

Moved by Eric Cross, seconded by Elsie Bursey, be it resolved that our Road Superintendent be authorized to respectfully approach Mr. Oscar Sisson to arrange purchase of a section of his property at present used as a gravel pit, thereby enabling Council to establish a satisfactory refuse dump of above location. Carried.

Moved by John W. Down, seconded by William Cowen, be it resolved that the Township of Stanhope negotiate with David B. Johnson for transfer of land known as road allowance between Concession 2 and 3, additional land to road allowance on Lot 7, Concession 3, plan to be provided by Mr. Johnson. Carried.

Moved by Eric Cross, seconded by William Cowen, be it resolved that applications regarding purchase of lakeshore and cottage site received from Captain R. W. Patrick of Canadian Forces Base, Europe, be referred to Mr. James Cooper, Realtor, of Stanhope Township, owing to the fact that this Township has no suitable property available and that a reply be sent to Captain Patrick informing him of this move. Carried.

Moved by Eric Cross, seconded by Elsie Bursey, be it resolved that the footbridge over Beech River, which was washed out in the high water, be repaired with a hump back section, thereby allowing it to be used as a footbridge and for boats to navigate beneath the said footbridge section; instruction as to cost and type of section to be decided by Council. Carried.

Moved by Elsie Bursey, seconded by John W. Down, be it resolved that Sinclair Nesbitt and William Cowen be a committee to arrange for survey and completion of dump property as being purchased. Carried.

Moved by Elsie Bursey, seconded by John W. Down, be it resolved that the Clerk call for tenders for a Road Grader in the daily Commercial News; tenders to close Monday, May 20, 1968. Carried.

Moved by John W. Down, seconded by William Cowen, be it resolved that we accept the tender of Fowler Construction Co. Ltd. for 3,000 cubic yards of Crush to pass through a ¾" screen at .88c per cubic yard off the belt, and 1,000 cubic yards of Crush to pass through a 5/8" screen at .90c per cubic yard off the belt. Sand to be dealt with at a later date. Carried.

Moved by Elsie Bursey, seconded by John W. Down, that the accounts amounting to $1,031.21, April relief $50.00, and Road Voucher No. 4 - $4,431.74 be allowed for payment. Carried.

Moved by John W. Down, seconded by Elsie Bursey, be it resolved that this meeting adjourn until the 3rd day of June at 10 o'clock a.m. unless called sooner by the Reeve.

Tips On Smoking

The only safe cigarette is the one you don't light . . . but if you have difficulty stopping you can reduce the amount of smoke you take into your lungs. Here are four tips from the Department of National Health and Welfare:

1. Cut down your cigarette consumption drastically. Postpone the next one as long as you possibly can.
2. Take fewer puffs on each cigarette. The longer interval between puffs the better. Leave the cigarette in an ashtray or hold it in your hands, never in your lips, between puffs. Otherwise, you are liable to inhale smoke when you breathe.
3. Throw away a very long butt. The last half of the cigarette contains a great concentration of harmful tar and nicotine. Throw away an extra long butt if you smoke a long cigarette.
4. Don't inhale the smoke. Remember, when you inhale you are taking damaging tar and gases into your bronchial tubes and lungs. Blow a mouthful of smoke through a clean white handkerchief to see what the tar is like. Compare the stains before and after inhalation.

These tips will help you to unlearn your smoking habit. After you have tried them for a few days, you might find it easier to stop smoking altogether.

CHRYSLER

best power for any fishing boat afloat!

Meet the 9.9, one of the all new fishing engines by Chrysler. Most powerful 'under 10' on the market. Gets you out there where the big ones are. Our new 9.9 has pushed our 14' test boat and driver 23 mph (has even pulled a full grown skier!), yet she'll troll all day with hardly a murmur. Shallows are no problem, either. Chrysler's exclusive Depth Minder drive lets you operate in a mere 6 inches of water . . . and the spline-drive prop won't pick up weeds, ends shear pin changing forever. And just look at that new low-profile design. It's designed to make your carrying, stowing and operation that much easier . . . lets you fish across the stern, too. When it comes to fishing outboards, Chrysler has the big edge. From the all new 4.4, through the 6.6 and 9.9 to a completely new 20, they're all backed by Chrysler engineering excellence and the famous Chrysler warranty.

STOP THE WORLD

Sometimes you feel like Atlas, trying to carry the world on your shoulders. With a slipped disk and an arthritic knee.

Well, what can you do? You can't drop it. It would break into pieces. And you can't set it down for a rest. You know you could never pick it up again.

This is the predicament in which the average middle-aged husband and father finds himself most of the time.

That's the fellow you find wandering dazedly in a supermarket; or blundering through a swamp trying to catch a seven-inch speckled trout; or playing golf with intense ineptitude.

If you ask him, he'll swear that he's not quite over the hill yet, that he can carry his world for another few steps. But if you corner him and quiz him, you'll find that he's not only over the hill, but sliding down the other side so fast there'll be nothing but a greaseball left when he hits the bottom.

He'll also be broke, if he has a wife. My old lady, after a couple of quiescent weeks following an operation, is in full cry again.

"What do you really think about that crumby old bedroom suite?" We bought it on sale 15 years ago. As far as I'm concerned, it's fine. There's a raised platform, called a bed, on which to sleep, and a number of drawers without handles, which I can open with a screwdriver. It's perfectly adequate.

"What do you do in a bedroom anyway, except to go to sleep and get up and stumble around in the morning?" I ask in all honesty.

She gives me a withering look. Apparently there are all sorts of other things a bedroom is handy for. Like putting ladies' coats in when you have a party. Or cutting your toenails in.

To me, the bedroom suite we have seems quite suitable for these and other minor activities.

But my wife feels it doesn't have tone, class, elegance or practically anything worthwhile — it's just a place to sleep. Exactly my point. Her ideas run toward a new bedroom suite, fresh decorating, and a lot of other things that aren't going to make me sleep, or do anything else any better than I do in the present shabby, lovable, little joint.

I can't, for example, see me tying my tie with any more flair with a new bedroom suite in the background. I can't see that a new eggshell-blue interior is going to make me look or feel any better when I sit on the edge of the bed, groaning gently and scratching, at 7:30 a.m.

I fail to realize that broadloom is going to give me anything but a big bank loan. It certainly isn't going to make me spring out of that new sack every morning, carolling:

"Here hath been dawning
another new day.
Think, wilt thou let it slip
useless away?"

It's not really that I'm an old curmudgeon. It's just that I've been through it before. We once started out with a new sink in the bathroom. Eventually, I wound up with something resembling a sultan's bath chamber, in black and pink and debt up to my ears.

Just to cheer old Atlas up this week, Kim has been diagnosed as the possessor of infectious mononucleosis. It sounds pretty impressive, but like most things that do, it's just a big pain in the arm. It's bad enough to have a teenager around the house anytime. But to have a sick one!

The doc said she wasn't to study, work or play the piano. But he didn't say anything about arguing or being snippy or throwing cold water on her parents' hopes and plans for her.

If you hear a tremendous thud one of these days, Atlas has shrugged.

Uncle Dudley's Column

Freedom, Liberty or License

As I read many of the reports from the larger centres of our continent, I am concerned by the many acts of violence leading, in some cases, to loss of life and always a great destruction of property. All this uproar in the name of Freedom.

To look at the matter more closely, I find the dictionary gives the meaning of Liberty and Freedom closely related. Many meanings are given.

For Freedom, the one I prefer is very short — "a privilege". Freedom often leads to License, for example: the coloured folk of Los Angeles were exercising their Freedom when in the riots of 1964-65 they wrecked the greater part of the coloured section of their city. Their own best people suffered, many losing all their holdings with little gain to themselves or anyone else.

One meaning given for Liberty reads like this: "A certain amount of Freedom, also the **limits** of which such Freedom is exercised." Always a price to pay, and when Freedom gets out of bounds and becomes License the cost is usually very high.

Much of this trouble could have been bypassed if some reasonable discipline had been exerted in the earlier years. Society is suffering greatly from the lack of discipline in the homes, over the young child. Habits are formed early in life. Someone has put it very well, "Sow a thought you reap an action, sow an action you reap a habit, sow a habit you reap a destiny". How true.

Actually there is a very thin partition between Freedom and License, and great care must be taken to preserve the balance.

There is a record of a great Greek general coming home from one of his successful campaigns being accosted by a lady of the Court, who presented her infant son to him asking for a word of advice. In very terse terms he said: "Teach him self control".

Excellent advice if taken seriously; all the turmoil we are experiencing would quickly fade away.

Do you know what you'll never find in a Kelvinator refrigerator? Limp vegetables. In a Kelvinator, vegetables stay as crisp as the day they were bought.
That's because Kelvinator has a superior coldmaking system coupled with the best possible insulation. It maintains a constant cold, no matter how often you open and close the refrigerator door.
And that's just one more very good reason to buy Kelvinator.

Edward Bryan,
P.O. Box 40, Tory Hill.

The family of the late Charles Scott wish to express their sincere thanks for the many acts of kindness, messages of sympathy and floral offerings received from our many friends and neighbours in our recent sad bereavement in the loss of a dear Husband and Father. Special thanks to Nurses and Staff of Hyland Crest Home, to Dr. Koval for his great kindness and understanding shown us during our stay there, also to Mr. Bill Borden, Mrs. Cameron and the John Welch and Son Funeral Directors.
Mrs. Scott and Family.

IN MEMORIAM

LITTLE — In loving memory of Patricia Lynn, who passed away May 14, 1966.
Two years ago you went away
with just goodbye,
The years still linger though you
are gone;
But those words we had the whole
life through,
Will always be remembered of
you.
—Lovingly remembered by Father, Mother, Sisters and Brothers.

LITTLE — In loving memory of a dear sister and aunt, Patricia Lynn, who passed away May 14, 1963.
She left us quickly,
Her thoughts unknown,
But she left us all memories
We are proud to own;
So treasure her, Lord,
In your garden of rest,
For when on earth
She was one of the best.
—Sadly missed and always remembered by sister Marlene, her husband Don and son Dale.

THOMPSON — In memory of our dear granddaughter, Noreen, who passed away May 9, 1966.
Though her smile is gone forever
And her hand we cannot touch,
Still we have so many memories
Of the one we loved so much;
Her memory is our keepsake
With which we'll never part,
God has her in his keeping,
We have her in our hearts.
—Sadly missed and ever remembered by Grandma and Grandpa Robertson, Aunt Linda and Judy.

CHURCH NEWS

HALIBURTON U.C.W.

Unit 2 of the Haliburton United Church Women met at the home of Eva Mackay on Monday, May 6 at 8 p.m.

Leader Jan Shipley opened the meeting by reading Hymn 265, and then welcomed the ladies present.

Lorna Stinson was in charge of the devotional period, and chose "Mother" as her theme. This was based on the Scripture Reading which was taken from Exodus, Chapter 2, Verses 1-10. The offering was received and dedicated, and prayer concluded the worship period.

Eva Mackay, reporting for the Supply Committee, said that one full layette and part of another were ready to send. The group was reminded to bring good used clothing to the General Meeting to be sent to The Fred Victor Mission, Overseas Relief and Street Haven.

Maxine Curry was in charge of the programme, which was the final study on Japan. Edith Day expressed the thanks of the group to Maxine for a most interesting study.

Jan thanked Eva for the use of her home, and closed the meeting with the Benediction.

A social time followed and refreshments were served by the hostess.

Help Fire Victims

(An extract from a Salvation Army worker's report)

Our mobile canteen was called out last night to a fire on L .... Street. Five people of one family were involved. We were able to arrange for the husband and brother to stay at our Men's Hostel, the wife and two small children at a boarding-house.

Investigating the family circumstances today, we found that the husband was off work due to a carpenter's strike. They plan to move back into the house when the insurance money arrives and repairs are made. In the meantime we are assisting the family to find temporary rooms and will supply them with the necessary furnishings. The Red Cross provided the required clothing. The family are most grateful.

Crusade For Christ

In the month of June in Haliburton
A Crusade is coming to town,
Where we can learn the message
Of a Saviour who wears a crown.

And I know when you go there,
To this happy meeting place,
That Christ can forgive you
And your sins can be erased.

There will be no more darkness
And no more sin,
If you will go there
And let Christ enter in.

You can receive His love
That never grows old,
And He will bless you forever
With riches untold.

So, tell a friend and neighbour,
To pass the word around,
What wonderful things can happen
When the Crusade comes to town.

Elsie Sibley.

Minden W.I. Hold May Meeting

The Minden Women's Institute meeting was held at the home of Mrs. Fred Wright on Wednesday, May 8, with the President, Mrs. P. Clarke, presiding.

The singing of "O Canada" and the Ode was followed by all repeating teh Mary Stewart Collect. The roll call of "First Owner of Home" was answered by 20 members and two visitors.

The reports were then given and letters were read.

Mrs. Ruppi and Mrs. V. Todd are to visit the hospital before the next meeting.

Mrs. Fairfield's report on Public Relations was read by Mrs. M. Sears. This summary of events showed that we have had a very active year.

It was moved by Mrs. L. Cox and seconded by Mrs. Angus Coulter that $10.00 be given the District Annual Meeting towards the adopted Greek child.

Voting delegates to the District Annual Meeting at Powles Corners are to be Mrs. P. Clarke, Mrs. V. Cowan, Mrs. Nelson Ward and Mrs. Lyman Cox.

Mrs. P. Clarke informed the members that Mrs. Holly Stevens had invited us to her cottage for our June meeting, which will be a Pot Luck lunch.

A poem "The Great Gift Of Sight" was read by Mrs. Arnold Coulter.

The meeting closed with the singing of the National Anthem and the W.I. Grace, after which all enjoyed a social half hour and the lunch served by the hostess and her committee.

MERC 39
the 3.9 that performs like a 5 . . . and trolls like an electric

The quality built into each Merc 39 makes it unquestionably the most deluxe small fishing motor you can buy. It has quality features you don't find even on competitive 5hp motors! Things like full forward-neutral-reverse gearshift; one hand twist grip control of speed and direction; a rugged one-piece lower unit that glides over obstacles and through weeds; a safety-clutch prop drive that eliminates troublesome shear pins; a handy 3¼ gallon remote fuel tank (no slopping gas over the engine when you fill up); and exclusive Jet-Prop Exhaust that not only buries exhaust sound and fumes deep underwater, but also reduces drag and improves engine performance as well. No wonder the Merc 39 is becoming the weekend fishermen's favorite!

CARNARVON

Mr. and Mrs. Phil Renouf and girls of Toronto spent the week-end with the Arch McKays, and did some renovating and painting to the Bake Shop which will be in full swing again this summer.

Mrs. Cliff Skelding came home from Lindsay Hospital on Wednesday. They are adding a new wing to their home.

Last week the village lost one of it's oldest and respected men in the person of Mr. Jim Cowan, who has been in ill health for a number of years. Out of town family attending the funeral were Mrs. Garnet Coulter of Vancouver Island, B.C., Mr. and Mrs. Fred Cowan of Thessalon, Mr. and Mrs. Max Cowan of Penetang, Mr. and Mrs. Wilf Lapine of Oshawa, Messrs. Eric and George Cowan of Brampton, and from close to home were Mr. and Mrs. Russell Cowan of Haliburton, Mr. and Mrs. Bert Cowan of West Guilford, Mr. and Mrs. Ev Upton of Eagle Lake, Mr. and Mrs. Jim Cooper of Maple Lake, Mr. and Mrs. Alvin Cowan and Bill of Carnarvon.

Spending the weekend with Mrs. Hussey were Mr. and Mrs. Ross Hussey and Miss May Haltry of Toronto.

A Family Service was held on Sunday to commemorate Mother's Day. The young people took part in the service, and all did very well. Corsages were presented to Mrs. Cliff Skelding for largest family present, Mrs. Lawrence Harrison for eldest mother present, and Mrs. Garwood Thomas for youngest mother present. The Choir made a presentation to the Church of a fine portrait of the late Ralph Hussey, who served his Lord so well through his work with the young people of the Church. Coffee and donuts were served after the service.

Mr. and Mrs. Phil Allcorn and children of Toronto visited with the Gordon Allcorns on Sunday.

Mr. and Mrs. Clifford Archer of Toronto, Mr. Don Archer, Mr. Ron Russell, Mr. and Mrs. Jim Redner and Mr. Ross Packard, all of Toronto, spent the weekend at their homes.

Local Government Bodies In Ontario Number 4200

The Bureau of Municipal Research, a group originally organized in 1914 and financed ever since by corporate and individual membership fees, has begun a detailed study of regional government in Ontario. The Bureau has already turned up some interesting findings.

There are some 4,200 local government bodies in the Province; that is, one for every 1,600 persons. These agencies include 360 utility commissions, 225 planning boards, and almost 1,000 towns, villages, townships and cities. The remaining agencies range from conservation authorities to library boards.

One municipality, according to the Bureau, contains only two people.

There are about a dozen municipalities with a total assessment of less than $100,000.00. Nine municipalities spend less than $9,000.00 a year.

The Regional Government Study was undertaken after the Ontario Committee on Taxation recommended in January that regional government be reformed.

Select Committee To Hold Public Hearings On The Report Of The Ontario Committee On Taxation

The Prime Minister, the Honourable John Robarts, has announced that a Select Committee of the Legislature will be appointed to hold public hearings on the Smith Committee Report.

This report was made public last August when the Committee, under Lancelot Smith, concluded their four years of deliberations. Two of the report's recommendations, the Basic Shelter Exemption Grant and the takeover by the Province of the cost of the administration of Justice, have already been implemented.

The Prime Minister in his announcement, stated: "I do not want this to be misunderstood. We are not opening the whole question of taxation again. We simply want the Committee to deal with the recommendations of the Smith Report."

CYRIL GEORGE PARKER

The death of Cyril George Parker occurred in the Col. Mewburn Pavilion in Edmonton, Alberta, at the age of 78 years.

Mr. Parker was the beloved husband of Margaret May Graham, eldest daughter of the late Mr. and Mrs. John H. Graham of Minden.

The deceased was born in Rhen Khiet, N.W. Provinces, Indian, the second son of Col. W. F. and Mrs. Parker.

He was educated in England in Wellington College, and graduated from Sandhurst Military College in 1910. He was attached to the 4th Battalion Royal Fusiliers in London, and trooped the colors on the mall at the coronation of King George V.

He came to Canada in 1912 and enlisted in the R.N.W.M.P. in Regina, Saskatchewan, and served overseas with this unit (C.L.H.) in World War I. In 1920 he started with the C.N.R. and remained with the railway until his retirement 13 years ago.

Mr. Parker was a member of the Canadian Corps Association, Past Master of West Edmonton Lodge 101, and a Charter and Life Member of Temple Lodge 167. He was also a member of Educational Lodge 1002 at Minneapolis, Minn., a Council Member of the Order of Demolay and holder of the Cross of Honour, a member of Zobar Council Cryptic Rili,, North Star Chapter 4 R.A.M., Royal Ark Mariners, and Past D.D.G.M. of District 3 B.R.T. 793.

The deceased is survived by his widow, three sons and three daughters, Roderick of Calgary, Laurence of Beiseker, Alberta, Gordon of Edmonton, Mrs. Wm. Hammond (Jessie) of Kimberley, B.C., Mrs. E. Bruce Stetson (Helen) of Fork Saskatchewan, Mrs. F. Steck (Catherine) of Vavenby, B.C.; 19 grandchildren and 15 great grandchildren; one sister, Mrs. Neshan Box of Canterbury, England, and one brother, Admiral Robert Parker (retired) of Somerset, England.

The funeral service was conducted from All Saints Cathedral.

Pallbearers were four grandsons and two godsons. The members of Jubilee and Edmonton Chapters of the Order of Demolay formed a Guard of Honour at the Catsedral and graveside.

Interment was made in the Field of Honour. Lament was played by a member of the City Police Pipe Band.

Floral tributes which were very beautiful and donations to charitable causes were numerous.

Fire At Otter Lake

On Saturday the Monmouth Volunteer Fire Department were called to the Otter Lake area, as the burning of brush got out of control and threatened a large area of cottages and bush.

Upon receiving the call for help the firemen arrived promptly and in a short time the fire was extinguished.

Damage $250

A rear-end crash involving cars driven by William Chirpaugh of Victoria Road and John Austin of Kinmount, at the intersection of Highway 35 and County Road 9 at the Cambray turn, caused damage totalling $250.

The Lindsay Detachment of the Ontario Provincial Police investigated.

The Reader's Corner

By A. B. BONNER

In almost the twinkling of an eye the Prime Minister was able to start what might well be the greatest scramble this country has seen in many a year. The scramble is to receive the privilege of standing for election as a member of the Government of Canada.

Election fever is rapidly catching hold, judging by the interest being shown in the selection of candidates. The frenzy of nomination meetings, the candidates and the people who take time to support their man, are all evidence of this.

By now enumeration is over and most ridings have a full slate for election. Next comes the appointment of D.R.O.'s and Poll Clerks, door-knocking, signs, speeches and all kinds of confusion and excitement. Out of all this will eventually emerge June 25th and the final decision. Then and only then will we know who will lead our country until the next twinkling of an eye.

Wonderful thing, Democracy.

Household Fellowship Groups Underway

New Musical Group Formed

Haliburton has a new musical group going under the name of Quality of Mercy. The five-piece band is comprised of all local boys, which includes Gordon Scheffee on Bass Guitar, Eric Brohm on Rhythm Guitar, Paul Brohm on Lead Guitar, Barry Robertson on Drums, and Danny Roberts as Vocalist.

This swinging group, playing the sounds of today, was formed just one month ago, and since that time have been holding practices in the Arena Auditorium at Haliburton.

They made their debut playing for a dance at the Haliburton Highlands Secondary School recently and were a smash hit. Many of the students attending the dance told the Echo that the local boys were by far the best band that had ever played at the School.

Later in the week they played to another large crowd at a dance in the Arena Auditorium, and last week they made their first out of town performance playing for a dance at Minden.

This Friday night, May 17, they will be playing for a dance at the Legion Hall in Haliburton, which starts at 9 p.m. This will be your opportunity to come out and go dancing to the Go-Go music supplied by Quality of Mercy.

We wish the boys the best of luck and lots of success in the days ahead.

New Owners At Silver Beach

Mr. and Mrs. Robert Taylor of Scarborough are the new owners of Silver Beach Lodge at Haliburton. They have two daughters, Kathleen and Susan.

Mr. and Mrs. Taylor officially took over the Lodge last Friday, which was formerly owned and operated by Walter and Jessie Webb from 1957 up until the present time.

The new owners are hoping to convert to housekeeping units. They are very interested in the activities of the community, and we welcome Mr. and Mrs. Taylor and their family to the area.
